

COLORADO GIVES DAY IS DEC. 10

Several members of the Eagle County Gives coalition joined Gypsum Town Council members at their meeting on Tuesday to receive their endorsement of Colorado Gives Day, set for Dec. 10. With this proclamation, the Gypsum Town Council encourages everyone in the community to support their favorite Eagle County nonprofits on that day by giving online at www.eaglecogives.org/. Your entire gift will go to the nonprofit, as all credit card processing fees on that day are paid by 1st Bank, the statewide corporate sponsor of Colorado Gives Day.
